

# Suan Sampran

Sampran Riverside is an award winning, eco-culture destination close to Bangkok. Since 1962, our philosophy and activities are based on the traditional Thai way of life of the Sampran District. It has now become a venue to inspire learning and foster change.

What is your organisation's website?	<a href="http://www.suansampran.com">www.suansampran.com</a>
What are the product highlights you would like to promote?	<p><b>Patom Organic Village</b> : Experience Thai way of life by following various Organic journeys.</p> <p><b>Patom Organic Farm</b> offers an experience for you to enjoy the organic and sustainable lifestyle in Nakhon Pathom. Meet our team of devoted organic farmers who grow all of the fruits and vegetables at Patom Organic Farm. Learn about the <b>practices of organic farming</b>, and the importance of caring for nature and our ecosystem.</p>
If applicable, what is another product highlight you would like to promote?	<p><b>Hotel, Meeting Facilities and Restaurants</b></p> <p>35-acre property is certified organic according to IFOAM (International Federation of Organic Agriculture Movements), EU and Canada standards.</p>
Are there any other details you would like to share?	<p><b>Our sustainability practices</b></p> <ul style="list-style-type: none"><li>• Our 35-acre property is certified organic according to IFOAM (International Federation of Organic Agriculture Movements), EU and Canada standards. Therefore, there is no agrochemicals whatsoever on our grounds.</li><li>• We recycle approximately 500 litres of cooking oil into biodiesel every month.</li><li>• We produce approximately a tonne of vegetables and fruits per month on our own Patom Organic Farm.</li><li>• We buy on average 3 tonnes of organic rice, 6 tonnes of organic vegetables and 3 tonnes of organic fruits directly from local farmers, accounting to 75% of our total kitchen consumption.</li><li>• All handwash, shampoos, shower gels and soaps provided within the property are handmade on the property using homegrown or locally grown ingredients.</li><li>• In our efforts to reduce water consumption, our tables and chairs in meeting rooms are cloth free.</li></ul>
